AT A GLANCE

At A Precious Child, we believe every child deserves the opportunity to thrive. Serving the entire Denver Metro Area, we provide essential resources and opportunities to children and families in need from cradle to career.

WHY CHOOSE A PRECIOUS CHILD?

In our eight-county service area, more than **300,000 children** are living in need, facing barriers that make it harder for them to succeed.

At A Precious Child, we are building a brighter future – because no one should have to do it alone.

OUR MISSION

A Precious Child provides children in need with opportunities and resources to empower them to achieve their full potential.

OUR VISION

We envision a future where every child grows up to be a secure, self-reliant, contributing member of their community.

HOW WE DO IT

BASIC NEEDS

Through our Resource Center, Community Distributions and Satellite Resource Centers we provide essential items such as clothing, hygiene items, food, diapers and more at no cost. Every resource is offered with dignity, ensuring families feel empowered, not just supported.

ENRICHMENT OPPORTUNITIES

We give children access to sports, arts and educational activities by providing the equipment, instruments and resources they need to participate fully alongside their peers. Each year, we equip thousands of children with brand-new backpacks filled with school supplies and bring joy to families during the holidays by ensuring every child receives a gift – because every child deserves to feel seen and celebrated.

WORKFORCE READINESS

We equip young adults with essential skills to confidently pursue their future. Through hands-on work experience through different pathways, we help them build a strong foundation for success. By providing guidance and opportunities, we empower the next generation to achieve their goals and reach their full potential.
